

Attachment A - Activity Approvals under s68 of the Local Government Act 1993

If you wish to carry out one of the following activities, you need the approval of the Council. Identify the activities you propose to carry out, and the relevant documents you need to include in your application, by placing a cross in the appropriate boxes.

Please include this attachment and the relevant documents with your application.

MANAGEMENT OF WASTE

- For fee or reward, transporting waste over or under a public place
- Placing waste in a public place
- Placing a waste storage container in a public place
Details to be provided: Location plan, details of proposal
- Disposing of waste into a sewer of the Council -
If you want to dispose of septic tank effluent to a sewer that Council controls or that connects to a sewer that Council controls you must attach the following information to the application:
- The type of waste to be disposed.
 - The amount of waste to be disposed.
 - The rate the waste will be disposed.
 - How often the waste will be disposed.
- If you want to dispose of trade waste into a sewer that Council controls or that connects to a sewer Council controls you must attach the following information to the application:
- The plans and specifications of the work you will do;
 - The plans and specifications of the equipment you will use;
 - The nature, quantity and rate of disposal of the waste.
- Installing, constructing or altering a waste treatment device or a human waste storage facility or a drain connected to any such storage device or facility.
If you want to install or build a sewage management facility that will be on the land for more than 12 months, you must attach the following information to the application:
- A plan (to scale) that shows the location of:-
 - the facility you will install or construct
 - any areas of land on which effluent will be applied, eg. as fertiliser
 - any buildings or facilities already on the land that are within 100 metres of the proposed facility or the areas on which effluent will be applied
 - any environmentally sensitive areas of land that are within 100 metres of the proposed facility or the areas on which effluent will be applied
 - any related drains or pipes (natural or constructed)
 - The full details of the storage facility including any NSW Dept of Health accreditation details.
 - Details of climate, soil composition, topography and vegetation included in a geotechnical/water balance report prepared by a suitably qualified person.
 - The number of people who live or may live at the premises.
 - Any other factors that are relevant to how much waste the facility can manage.
- Operating a system of sewage management
Details of:
- how the facility needs to be operated and maintained.
 - how your proposed to operate, maintain and service the facility.
 - the action you will take if the facility breaks down or is interfered with

PUBLIC ROADS

- Swinging or hoisting goods across or over any part of a public road by means of a lift, hoist, or tackle projecting over the footway
- Expose or allow to be exposed (whether for sale or otherwise) any article in or on or so as to overhang any part of the road or outside a shop window or doorway abutting the road, or hang an article beneath an awning over the road
Details to be provided: Location plan

MANUFACTURED HOME, MOVEABLE DWELLING OR ASSOCIATED STRUCTURE

- Installing a manufactured home, moveable dwelling or associated structure on land
Details to be provided: site plan, floor plans, elevations, specifications, structural engineering certificate.

WATER SUPPLY, SEWERAGE AND STORMWATER DRAINAGE WORK

- Carrying out water supply work
- Drawing water from a Council water supply or a standpipe or selling water so drawn
- Carrying out sewerage work
- Carrying out stormwater drainage work
- Connecting a private drain or sewer with a public drain or sewer which connects with such a public drain or sewer
Details to be provided: Site plan, pipe work details and layout, construction plans

COMMUNITY LAND

- Engage in a trade or business
- Direct or procure a theatrical, musical or other entertainment for the public
- Construct a temporary enclosure for the purpose of entertainment
- For fee or reward, play a musical instrument or sing
- Set up, operate or use a loudspeaker or sound amplifying device
- Deliver a public address or hold a religious service or public meeting

OTHER ACTIVITIES

- Operating a public car park
If you want to operate a public car park you must attach the following information to the application:
- A plan that:
 - identifies the land and related streets
 - describes the building if the car park is in a building, its location on the site and any other purpose for which the building will be used
 - Number of vehicles that can be parked in the car park and how this will be done
 - How vehicles will enter, move around and leave the car park
 - Off-street parking facilities available for vehicles waiting to use the car park
 - Ventilation that will be provided if the car park is in a building
 - Whether any petrol, oil or motor service facilities will be provided in the car park
 - The hours the car park will operate, how the fee or charge for using the car park will be collected, and where any facility for collecting the fee or charge will be located
- Operating a caravan park or camping ground
- Operating a manufactured home estate
- Installing a domestic oil or solid fuel heating appliance, other than a portable appliance
- Installing or operating amusement devices prescribed by the regulations under the Local Government Act 1993 in premises
- Operating an undertaker's business
- Operating a mortuary
- Use a standing vehicle or any article for the purpose of selling any article in a public place.
Details to be provided: Site plan, floor plans, elevations, specifications
