- Income Statement of Water Supply Business Activity	3
- Income Statement of Sewerage Business Activity	4
- Income Statement of Mt Foster Quarry	5
- Balance Sheet of Water Supply Business Activity	6
- Balance Sheet of Sewerage Business Activity	7
- Balance Sheet of Mt Foster Quarry	8
3. Notes to the Special Purpose Financial Statements	9
4. Auditor's Report	ii

Background

(i) These Special Purpose Financial Statements have been prepared for the use by both Council and the Division of Local Government in fulfilling their requirements under National Competition Policy.

(ii) The principle of competitive neutrality is based on the concept of a "level playing field" between persons/entities competing in a market place, particularly between private and public sector competitors.

Essentially, the principle is that government businesses, whether Commonwealth, State or Local, should operate without net competitive advantages over other businesses as a result of their public ownership.

(iii) For Council, the principle of competitive neutrality & public reporting applies only to declared business activities.

These include **(a)** those activities classified by the Australian Bureau of Statistics as business activities being water supply, sewerage services, abattoirs, gas production and reticulation and **(b)** those activities with a turnover of over \$2 million that Council has formally declared as a Business Activity (defined as Category 1 activities).

(iv) In preparing these financial statements for Council's self classified Category 1 businesses and ABS defined activities, councils must **(a)** adopt a corporatisation model and **(b)** apply full cost attribution including tax equivalent regime payments & debt guarantee fees (where the business benefits from councils borrowing position by comparison with commercial rates).

Warren Shire Council

Special Purpose Financial Statements

for the financial year ended 30 June 2011

Statement by Councillors and Management

made pursuant to the Local Government Code of Accounting Practice and Financial Reporting

The attached Special Purpose Financial Statements have been prepared in accordance with:

- The NSW Government Policy Statement "Application of National Competition Policy to Local Government"
- The Division of Local Government Guidelines "Pricing & Costing for Council Businesses - A Guide to Competitive Neutrality"
- The Local Government Code of Accounting Practice and Financial Reporting.
- The NSW Office of Water (Department of Environment, Climate Change and Water) Guidelines - "Best Practice Management of Water and Sewerage".

To the best of our knowledge and belief, these Financial Statements:

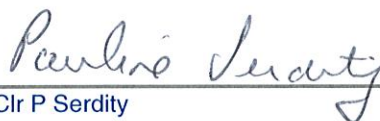

- Present fairly the Operating Result and Financial Position for each of Council's declared Business Activities for the year, and
- Accord with Council's accounting and other records.

We are not aware of any matter that would render these Statements false or misleading in any way.

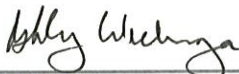

Signed in accordance with a resolution of Council made on 28 July 2011.

Clr NRF Wilson OAM
MAYOR

Clr P Serdity
COUNCILLOR

Mr AP Wielinga
GENERAL MANAGER

Mr DJ Arthur
RESPONSIBLE ACCOUNTING OFFICER

Warren Shire Council

Notes to the Special Purpose Financial Statements

for the financial year ended 30 June 2011

Note 1. Significant Accounting Policies

These financial statements are a Special Purpose Financial Statements (SPFS) prepared for use by Council and the Division of Local Government.

For the purposes of these statements, the Council's business activities (reported herein) are not reporting entities.

These special purpose financial statements, unless otherwise stated, have been prepared in accordance with;

- applicable Australian Accounting Standards,
- other authoritative pronouncements of the Australian Accounting Standards Board,
- Australian Accounting Interpretations,
- the Local Government Act and Regulation, and
- the Local Government Code of Accounting Practice and Financial Reporting.

The statements are also prepared on an accruals basis. They are based on historic costs and do not take into account changing money values nor current values of non-current assets (except where specifically stated).

Certain taxes and other costs (appropriately described) have been imputed for the purposes of the National Competition Policy.

National Competition Policy

Council has adopted the principle of 'competitive neutrality' to its business activities as part of the national competition policy which is being applied throughout Australia at all levels of government.

The framework for its application is set out in the June 1996 Government Policy statement on the "Application of National Competition Policy to Local Government".

The "Pricing & Costing for Council Businesses A Guide to Competitive Neutrality" issued by the Division of Local Government in July 1997 has also been adopted.

The pricing & costing guidelines outline the process for identifying and allocating costs to activities and provide a standard of disclosure requirements.

These disclosures are reflected in Council's pricing and/or financial reporting systems and include taxation equivalents; council subsidies; return on investments (rate of return); and dividends paid.

Declared Business Activities

In accordance with *Pricing & Costing for Council Businesses - A Guide to Competitive Neutrality*, Council has declared that the following are to be considered as business activities:

Category 2

(where gross operating turnover is less than \$2 million)

a. Warren Shire Council Combined Water Supplies

Comprising the whole of the operations and assets of the water supply systems servicing the towns of Warren, Nevertire and Collie which is established as a Special Rate Fund.

b. Warren Shire Sewerage Service

Comprising the whole of the operations and assets of the sewerage reticulation and treatment systems servicing the towns of Warren and Nevertire which is established as a Special Rate Fund.

Monetary Amounts

Amounts shown in the financial statements are in Australian currency and rounded to the nearest one thousand dollars, with the exception of some figures disclosed in Note 2 (Water Supply Best Practice Management Disclosures) and Note 3 (Sewerage Best Practice Management Disclosures).

As required by the NSW Office of Water (Department of Environment, Climate Change and Water) some amounts shown in Notes 2 and Note 3 are disclosed in whole dollars.

(i) Taxation Equivalent Charges

Council is liable to pay various taxes and financial duties in undertaking its business activities. Where this is the case, they are disclosed in these

Warren Shire Council

Notes to the Special Purpose Financial Statements

for the financial year ended 30 June 2011

Note 1. Significant Accounting Policies (continued)

statements as a cost of operations just like all other costs.

However, where Council is exempt from paying taxes which are generally paid by private sector businesses (such as income tax), equivalent tax payments have been applied to all Council nominated business activities and are reflected in these financial statements.

For the purposes of disclosing comparative information relevant to the private sector equivalent, the following taxation equivalents have been applied to all council nominated business activities (this does not include council's non-business activities):

Notional Rate Applied %

Corporate Income Tax Rate – **30%**

Land Tax – The first **\$387,000** of combined land values attracts **0%**. From \$387,001 to \$2,366,000 the rate is **1.6% + \$100**. For the remaining combined land value that exceeds \$2,366,000, a premium marginal rate of **2.0%** applies.

Payroll Tax – **5.45%** on the value of taxable salaries and wages in excess of \$658,000.

Income Tax

An income tax equivalent has been applied on the profits of the business.

Whilst income tax is not a specific cost for the purpose of pricing a good or service, it needs to be taken into account of in terms of assessing the rate of return required on capital invested.

Accordingly, the return on capital invested is set at a pre-tax level (gain/(loss) from ordinary activities before capital amounts) as would be applied by a private sector competitor – that is, it should include a provision equivalent to the corporate income tax rate, currently 30%.

Income Tax is only applied where a positive gain/(loss) from ordinary activities before capital amounts has been achieved.

Since this taxation equivalent is notional - that is, it is payable to the "Council" as the owner of business operations, it represents an internal payment and has no effect on the operations of the council.

Accordingly, there is no need for disclosure of internal charges in Council's GPFS.

The rate applied of 30% is the equivalent company tax rate prevalent as at balance date. No adjustments have been made for variations that have occurred during the year.

Local Government Rates & Charges

A calculation of the equivalent rates and charges payable on all Category 1 businesses has been applied to all land assets owned or exclusively used by the business activity.

Loan & Debt Guarantee Fees

The debt guarantee fee is designed to ensure that council business activities face "true" commercial borrowing costs in line with private sector competitors.

In order to calculate a debt guarantee fee, council has determined what the differential borrowing rate would have been between the commercial rate and the council's borrowing rate for its business activities.

(ii) Subsidies

Government policy requires that subsidies provided to customers and the funding of those subsidies must be explicitly disclosed.

Subsidies occur where council provides services on a less than cost recovery basis. This option is exercised on a range of services in order for council to meet its community service obligations.

Accordingly, Subsidies disclosed (in relation to National Competition Policy) represents the difference between revenue generated from 'rate of return' pricing and revenue generated from prices set by the council in any given financial year.

The overall effect of subsidies is contained within the Income Statement of Business Activities.

(iii) Return on Investments (Rate of Return)

The Policy statement requires that councils with Category 1 businesses "would be expected to generate a return on capital funds employed that is comparable to rates of return for private businesses operating in a similar field".

Warren Shire Council

Notes to the Special Purpose Financial Statements for the financial year ended 30 June 2011

Note 1. Significant Accounting Policies (continued)

Such funds are subsequently available for meeting commitments or financing future investment strategies.

The Rate of Return on Capital is calculated as follows:

Operating Result before Capital Income + Interest Expense

Written Down Value of I,PP&E as at 30 June

As a minimum, business activities should generate a return equal to the Commonwealth 10 year bond rate which is 5.21% at 30/6/11.

The actual rate of return achieved by each business activity is disclosed at the foot of each respective Income Statement.

(iv) Dividends

Council is not required to pay dividends to either itself as owner of a range of businesses or to any external entities.

Warren Shire Council

 - The NWI Performance Indicators are based upon the National Performance Framework Handbook for Urban Performance Reporting Indicators & Definitions.

WARREN SHIRE COUNCIL
SPECIAL PURPOSE FINANCIAL STATEMENTS
INDEPENDENT AUDITORS' REPORT

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying *special purpose financial statements* of **Warren Shire Council**, which comprises the Balance Sheet as at 30 June 2011, Income Statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the Statement by Councillors and Management.

Responsibility of Council for the Financial Statements

The Council is responsible for the preparation and fair presentation of the financial statements in accordance with the Local Government Act 1993 and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial statements, are appropriate to meet the financial reporting requirements of the Division of Local Government. This responsibility includes the maintenance of adequate accounting records and internal controls designed to prevent and detect fraud and error; designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement. Our audit responsibility does not extend to the best practice management disclosures in Notes 2 and 3 and, accordingly, no opinion is expressed on these disclosures.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial statements.

Our audit did not involve an analysis of the prudence of business decisions made by Council or management.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion, the special purpose financial statements of the Council are presented fairly in accordance with the requirements of those applicable Accounting Standards detailed in Note 1 and the Local Government Code of Accounting Practice and Financial Reporting.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements have been prepared for the purpose of fulfilling the requirements of the Division of Local Government. As a result, the financial statements may not be suitable for another purpose.
