

CHECK BEFORE YOU CHUCK

Not everything belongs in your recycling bin.

A quick check before you chuck helps keep recycling working for everyone.

1 CHECK YOUR LID

Your yellow bin lid shows the most common household items that **can** and **can't** go in your recycling bin.

2 STILL NOT SURE?

Check the **Kerbside Recycling Hub** on Council's website to search our A-Z Recycling Guide and find answers to common recycling questions.

THE GOOD SORT GUIDE

Welcome to Warren Shire's new
kerbside recycling service.

LET'S GET SORTED

Your new yellow-lid recycling service makes it easier to recycle everyday household items from home or work, without having to leave the Shire.

Together, we can recover more valuable resources, send less waste to landfill and help extend the life of the Ewenmar Waste Depot for our community.

Before your first collection...

Your first kerbside recycling collection is on **Wednesday 7 October 2026.**

After that, your yellow-lid recycling bin will be collected **every second Wednesday.**

Your Collection Calendar shows your scheduled recycling collection dates.

Getting started is easy:

- ✓ Check your Collection Calendar.
- ✓ Check your yellow bin lid.
- ✓ Put your bin out the night before.

Need a hand?

Give the Good Sorts their best chance

A few simple habits help recover more valuable resources and keep more waste out of landfill.

**Flatten
boxes**

**Empty
containers**

**Give a
quick rinse**

**No bags
Keep loose**

**Never bin
a battery**

Get Collection Ready

Put your bin out

- the night before collection, or
- before 6.00am on collection day.

- ✓ Wheels facing your property
- ✓ Lid opening towards the road
- ✓ Leave at least 50 cm clearance
- ✓ Lid closed completely.
